EXPERIENCE

SOFTWARE DEVELOPER II

B2Gnow / Phoenix , AZ / August 2019 - Present

- Conducted & managed bi-weekly agile sprints with smaller team sizes for CI/CD. Used Scrum Agile Methodology in my work (Daily Scrum Meeting, Planning Poker, Sprint Backlog, 1on1 meeting)
- Maintained and implemented new enhancements to the existing system that increased retention rate of the customers by 10%.
- Handled level 1 and level 2 escalations in a timely manner to help maintain the integrity of the application
- Created simple reports for the customers which resulted in an increase of productivity and visibility within the system.

TEACHING ASSISTANT

Trilogy Education / Tucson, AZ / April 2018 – July 2019

- Help teach beginners the basics of web development
- Conducted 1 on 1 meetings with students who needed additional assistance
- Lead group meetings and study sessions to help facilitate the material that was being taught

Front-end Developer

Marketing Evolution / Tucson, AZ / January 2017 – March 2018

- Used Shopify and Shopify Plus to create e-commerce websites for customers
- Used Facebook Ads and Google Ads to push traffic to customer sites resulting in profitability to the customers
- Maintained and managed as many as 15 customer's websites while increasing traffic every month.
