## #Professional Experience

### **B2Gnow / Software Developer II / Phoenix, AZ 85003**

August 2019 – Current: Phoenix, Arizona

- ↳ Experience in Agile Scrum and Test Driven Development (TDD) using Jira.
- ↳ Worked with C#, .NET, VB6, HTML, CSS, and Javascript to accomplish daily tasks.
- ↳ Balancing workloads between sprints and escalations.
- ↳ Handled escalations that are reported from customers and support staff.
- ↳ Assisted in converting legacy code into modern technology.
- ↳ Maintained our events website that produces approximately \$100k in registration sales each year.
- ↳ Standardize the styling of the UI components.
- ↳ Collaborate with a team to successfully complete projects on time.
- ↳ Participated in team events and activities to build team cohesion and communication between each developer.
- ↳ Efficiently deployed and integrated software developed by the team.

### **Trilogy Education / Teaching Assistant / Instructor**

March 2018 – August 2019: Tucson, Arizona

- ↳ Guide students by setting goals aligned with their ability. Assist with their weekly learning goals and assignments.
- ↳ Review fundamental concepts and methodologies in Javascript, HTML5, CSS3, REST APIs, and object-oriented programming.
- ↳ Mentor students on how to approach their projects and any helped them through any roadblocks they encountered.
- ↳ Held tutor sessions before class to help students that were having any problems learning any of the material.

### **E-com Progression/ Web Developer**

January 2017 – March 2018 : Tucson, Arizona | Remote

- ↳ Interfaced with and developed a small to medium scale applications for my clients.
- ↳ API-based backend written in Javascript with Node and Express, using MongoDB.
- ↳ Custom SCSS styling written with BEM-IT naming conventions.
- ↳ Executed React & Redux front-end in ES6, with Babel, Gulp, Webpack, and Node.
- ↳ Coordinated with their marketing team to help run social media ad campaigns and pin-pointed customer targeting using Facebook, Google and Instagram Ads.

### **United States Army / 92G**

Jan 2009 - June 2016 : Fort Bragg, NC |

- ↳ Completed 2 successful tours in Afghanistan where I learned how to co-exist with people from different backgrounds.
  - ↳ Learned how to cooperate with others and ultimately work as a team to get the job done.
